Duke's Pool Villa

The Duke's pool villa at Jungle Bay is one of the biggest and the most luxurious pool villas in Wayanad. The spacious villa has a beautiful private pool and a large living area with the bedroom opening to a private garden. The big Jaguar shower area with indoor plants has a unique design with an open view.

Beetle-The Tree House

Hoisted along a Rosewood and Jackfruit tree is this tall and spacious Tree House spanning across 400 square feet. The thatched roof and the elevated stance with an aerial view adds to the feel. A private dinner on the spacious deck with a view to the jungle will be a memorable experience here. The premium wooden interiors and the bed with a unique design gives it a special aura.

Regal Jacuzzi Villa

Get pampered in the cozy couple jacuzzis here. Watch the early sunrise through the long french windows from the warmth of your luxury bed. There's a spacious deck on the east with a peek to the plantations and the far away jungle. Listen to the murmurs of a nearby brook while you unwind.

Bougain Villa

Bougain Villas are Jungle Bay's identity. The twin Villas with spacious rooms and wide-open balconies facing the jungle is truly a special place. The big glass windows open to the east welcoming the sunrise. Beautifully done beds, cosy linen and the aesthetics in each corner of the villa will impress you.

Pavilion Room

The pavilions rooms with the juliette balconies face the plantations on one side and opens to the vast lawn on the other. Beautifully painted coloured walls and the cosy sofas gives a soothing effect.

Pent House

Penthouse is atop the Club House with a view to the far away mountains. The wooden stairs with customized woodworks takes you to this beautiful space. The spacious room with long glass windows all around gives a bird's eye view of the beautiful resort and the green hills
